Columbia College

GENERAL INFORMATION

On-Campus Numbers: Columbia College is assigned telephone numbers from 875-7200 through 875-7799, 876-1100 through 876-1199, 876-4400 through 876-4499, and 219 prefix for Hughes, Miller and Banks residence halls. These numbers are dialed on-campus by using only the last 4 digits (i.e., 875-8700 can be called from any campus phone by dialing 8700). From an off-campus phone or pay phone, you must dial all seven digits. In addition, the extension 7000 through 7199 may be dialed from campus to reach individual professors' phone mailboxes, but cannot be reached directly from off campus.

Off-Campus Numbers: To call an off-campus number, you must dial 8 first to reach an outside dial tone (i.e., 8 + 449-0655). Local calls (for example: Columbia, Ashland (657), Hallsville (696), Harrisburg (874, 875, 876), or Rocheport (698, 874) can be made from any phone.

Long-Distance Calls: To dial a long distance number from an office you will need to dial 8 + 1 + area code + number. It is recommended that calling cards be purchased for making long distance calls from residence halls.

Credit Card: To place a credit card call from an on-campus phone, you must use the carrier who provided your calling card. We provide access to AT&T (code 6288), MCI (code 6222), and Sprint (code 6333) networks. To make a credit card call, dial: # access code + area code + number. Note: You must use the # key on a touch-tone phone. You will then be prompted for your credit card number. If you do not enter a card number, an operator will assist you with your call. For example, to make a credit card call using an AT& T calling card, you would dial the following: #6288 + area code + phone number, then you will be prompted for your credit card number.

Third Party Calls: Third party calls made without proper authorization are illegal and considered a criminal offense. Columbia College prohibits unauthorized third party calls and will prosecute offenders.

Courtesy Phones: Courtesy phones are located at various places around campus. These phones are for campus use only. You cannot dial these phones from an off-campus location. To call courtesy phones from off-campus, call the Campus Operator at 875-8700 and ask to be transferred.

Directory Information: You can obtain campus information by dialing the Campus Operator at 0. You can also find this information on the Columbia College website at www.ccis.edu/directory. Other information can be obtained by calling the appropriate number:

Campus Safety provides safety and security service 24 hours a day, 365 days each year using a combination of foot and vehicle patrols throughout all shifts. Campus Safety is responsible for the safety and security of our campus in areas such as locking and unlocking campus, parking enforcement, and inspections of fire and safety equipment.

Campus Safety is also responsible for aiding local police, fire and rescue departments during an emergency response. Whenever an accident, incident or emergency is reported, campus safety personnel respond assessing the situation and contacting the appropriate emergency personnel. During an emergency situation such as a fire or serious injury, call 911 first and then contact Campus Safety.

Safety hazards and incidents are to be reported so that causes may be determined and corrective measures can be taken to improve safety on our campus.

All incident, accident and crime victims are encouraged to report these issues to Campus Safety regardless of how insignificant they may seem.

Campus Safety may be contacted by dialing 711 or 7315 on any campus phone or at 875-7315 and 219-0212. Emergency call boxes are located throughout campus and will call directly to Campus Safety.
