MAT STATEMENT:

Columbia College has been granted authorization by the State of Alabama under Ala. Code, 16-5-10 (14) (1975) to offer the Master of Arts in Teaching (MAT) program described herein. Since credentials earned in the MAT do not automatically qualify for teacher certification, endorsement, and/or salary benefits within the State of Alabama, prospective students are advised to contact the Office of the Alabama State Superintendent of Education for verification: www.alsde.edu.

State authorization to provide a program related to the preparation of teachers or other P-12 school/system personnel does not indicate eligibility for an Alabama certificate. Applicants for an Alabama certificate based on reciprocity must meet Alabama's test requirements and submit a valid, renewable professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three years of full-time employment as an administrator in a P-12 school system(s) www.alsde.edu.

COURSE CANCELLATION POLICY:

Courses will only be cancelled in the event of insufficient course interest or if an appropriate teaching faculty cannot be found. If this occurs, the student will receive a full refund for the course.
